

PAGE 2 • PERSONAL PROFILE

Hello, I'm Freadenly Zulkilfi

Known affectionately as **Fread**. I am currently pursuing my **Bachelor of Information Technology with Honours (Business Computing)** at **Universiti Malaysia Sabah Kampus Antarabangsa Labuan (UMSKAL)** under the Faculty of Computing & Informatics (FKI).

Born and raised in **Beaufort, Sabah**, my passion lies at the intersection of computational problem solving and business innovation. In the modern digital economy, success requires more than just writing code—it demands the ability to understand market dynamics, design intuitive digital storefronts, and produce compelling creative media that captures consumer attention.

FULL NAME Freadenly Zulkilfi	NICKNAME Fread

Say Hello 👋

MILESTONES

My Growth & Learning Pathway

Key academic checkpoints in Business Computing at UMSKAL.

1

FOUNDATION & ENROLMENT

Commenced Business Computing at UMSKAL

Began my degree in Bachelor of Information Technology with Honours (Business Computing), combining enterprise management systems with software logic.

2

PRACTICAL ACTIVITY 1

Graphic Design & AI-Enhanced Visuals

Designed sustainable e-commerce promotional concepts focused on green logistics, eco-packaging, and generative design techniques.

3

PRACTICAL ACTIVITY 2

Front-End Web Development & Architecture

Engineered a multi-page interactive web application implementing responsive design, UX clarity, and personal branding for IE12103.

4

FUTURE HORIZON

Digital Enterprise Innovation in Borneo

Aspiring to leverage business computing to develop digital commerce solutions that help local Sabah and Labuan enterprises thrive online.

Me, My Hometown & Interest

An individual practical web submission for IE12103 E-Commerce, Semester 1 2026/2027. Faculty of Computing and Informatics (FKI), Universiti Malaysia Sabah Kampus Antarabangsa Labuan (UMSKAL).
