Hello, I'm Fread

A passionate computing student at **Universiti Malaysia Sabah (UMS)**, specializing in E-Commerce technology, user interface design, and digital systems.

My academic journey centers around transforming innovative digital concepts into functional, user-friendly web solutions. In the modern digital economy, having technical prowess coupled with a keen eye for branding and customer interaction is vital. This website represents my growth in front-end development, responsive layouts, and creative digital storytelling.

Say Hello 👋

MILESTONES

My Growth & Learning Pathway

Key checkpoints shaping my technical journey and digital commerce capabilities.

1

FOUNDATION

Enrolling at UMS Faculty of Computing & Informatics

Commenced formal higher education in computing, mastering algorithmic problem solving, software logic, and computational theory.

2

PRACTICAL ACTIVITY 1

Graphic Design & AI-Enhanced Visuals

Crafted sustainable e-commerce promotional poster concepts focusing on green logistics, biodegradable packaging, and prompt engineering.

3

PRACTICAL ACTIVITY 2

Hands-On Web Development & UI Architecture

Engineered a multi-page interactive web project adhering to accessibility, semantic structuring, responsive mobile designs, and rich media assets.

4

FUTURE HORIZON

Next-Generation E-Commerce Solutions

Aiming to develop full-stack digital storefronts that empower local Sabah micro-enterprises through seamless omnichannel experiences.
